## FOR IMMEDIATE RELEASE

### Local Disabled Country Music Singer is set to perform at the 2021 Kern County Fair

BAKERSFIELD, CA – I am a Local Country music singer and a Bakersfield, CA native. My name is Scotty Crabtree and I started singing at a young age to grow my breath control. With the help from voice lessons, Buck Owens and Kim McAbee, I decided to take on the challenge of having Cerebral Palsy and trying to make a name for myself in the Bakersfield country music community.

After the passing of Buck Owens in 2006 I was determined to not give up on my dream of becoming a local country music singer. A year after Buck's passing, I got the opportunity to perform at the place where he always performed every Friday and Saturday nights here in Bakersfield. I had the honor of occasionally performing with the house band at the Crystal Palace. I was graciously accepted and able to do what I loved because of the courage from the country music community here in Bakersfield.

Then in the year of 2013 I was inducted into the Bakersfield country music family. All of this was able to happen due to the many people that gave me encouragement. However, it was just not other people that made me want to push myself all the way. It was having my own willpower to not give up when the times got tough for me.

In 2015 I was able to put a band of my own together to perform at various places around the Bakersfield community and once in Fresno. The band had a good run, and it gave me a sense of purpose in my life.

I just wanted to get this press release out to the media to invite all of Bakersfield to join me as I perform at the 2021 Kern County Fair. The event will be held on October 2, 2021 on the Main Plaza Stage at 3 PM to 3:30 PM.
